Kraft Foods Matching Gifts Program
P.O. Box 7137
Princeton, NJ 08543-7137

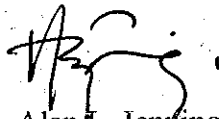

Dear Friends:

Thanks so much for your match of \$256 for the contribution made by Lynn A. Nocera. As promised, it has been designated to the Second Harvest Food Bank. While there are so many forces that resist progress, one constant has been the generous spirit of the people of this community. Thanks for being such a good friend of the agency.

We are working hard to help low-income people develop the tools they need to move forward with their lives. Whether those tools are hunger relief, shelter, energy services, a job, a savings account, technical assistance and a loan to start a small business, homeownership counseling, or a more livable neighborhood, CACLV will not relent. And your generous support makes it all possible.

You can depend on us to continue to be effective stewards providing quality service. I look forward to reporting next year how much of a difference you made.

Sincerely,

Alan L. Jennings
Executive Director
