

John,

On behalf of the Lehigh Valley Chapter of IAAP® (International Association of Administrative Professionals®), we thank you for your donation of the Lenox® China Basket filled with Beps® and other Just Born goodies. We deeply appreciate your support of the Lehigh Valley Chapter, established more than 50 years ago to help office professionals reach their career goals using education, community building, and leadership development. The proceeds from this raffle will be used to help with these endeavors, and we greatly appreciate your kind support through Forraine Wattleauer.
