Dear Sally and Friends from IAAP Lehigh Valley Chapter,

I was grateful and touched to receive your donation of \$100.00 in lieu of Norm Fry's culinary fee for your holiday dinner meeting. Receiving a donation like this one is a fine example of how the community stands with all of us at Turning Point as we work tirelessly to support victims of domestic violence. I will send a separate acknowledgement to Norm to let him know how much I appreciate his contribution.

One of the first ways victims reach out to Turning Point is through our confidential 24-hour helpline. I thought you would be interested to know that during the last fiscal year, Turning Point received 3,936 helpline calls. So many of the 4,657 adult victims we served in the past year came to us through their choice to call the helpline. Your belief in our organization's mission to eliminate domestic violence ensures that we will continue to be here to answer the call.

Thanks again to you and Norm. Together, we will eliminate domestic violence.

Sincerely,

A handwritten signature in black ink that reads "Pam Russell".
